

VILLAGE OF AIRMONT

LOCAL LAW #__ of 2015 Amending Section 97, titled Electrical Standards, adding language to section 97-3 allowing the Village Board to add or remove electrical inspectors by resolution and adding language to section 97-4 requiring certain information to be reported included on the UL certificate.

A LOCAL LAW TO AMEND section 97-3 and 97-4 of the Village Code of the Village of Airmont adding wording to allow the Village Board to add or remove electrical inspectors by resolution and requiring certain information to be reported included on the UL certificate.

BE IT ENACTED by the Village Board of the Village of Airmont as follows:

Section 97-3 should read as follows:

TITLE: Electrical Inspector

BODY: Any qualified inspection agency/agencies approved and licensed by Rockland County pursuant to Rockland County Code section 250, hereinafter referred to as "Inspector," are hereby authorized and deputized as agents of the Village of Airmont to make inspections and re-inspections of all electrical installations heretofore and herein described, and to approve or disapprove the same with respect to any building permit issued by the building department.

Add paragraph C to section 97-4 to read:

TITLE: Duties of Electrical Inspector

BODY: C. It shall be the duty of the electrical inspector to ensure the certificates include the property section, block and lot number, building permit number and any other information required by the Building Department. The inspector must notify the Village upon discovery of work performed without a permit.

Effective Date:

This local law shall take effect immediately upon its filing with the Secretary of State or otherwise provided by Law.
